### RESOLUTION DENOUNCING WAR UNANIMOUSLY APPROVED

[UNITED PRESS LEARNED WIRE.] Indianapolis, Ind., Jan. 24.—A resolution denouncing war was adopted unanimously today by the United Mine Workers of America in annual convention here. Another voicing sympathy for the Calumet copper mine strikers and still another demanding that congress pass additional mine safety measures also were adopted.

The anti-war resolution was introduced by Duncan McDonald of Illinois. "The burden of war," he said, "and the loss of life and limb is borne exclusively by the working classes. The idle rich are afraid to fight and besides they don't know how."

A resolution urging the prohibition of immigration "until all surplus labor is fully employed" also was adopted.

### COAL GAS KILLS THREE

Grace Sorhan, aged 9 years.

Madeline Sorhan, aged 6 years.

The father, Daniel Sorhan, and two other children escaped, but were reported in a serious condition this afternoon.

### CAN PAY TAXES MONDAY

Next Monday morning at 8 o'clock in the county court chambers, the 1913 tax roll will be opened and with Chief Clerk George Paulus behind the counter the work of collecting \$996,807.44 will commence.

The tax roll for 1913 as extended is the largest ever made up in Marion county. In 1912 the roll amounted to but \$785,000, or \$211,807 less than the one at present. The big roll this year is due to the increase in levies. Salem city levy this year is 33.29 while in 1912 it was but 28.90.

### WONDERFUL TAKING PICTURES.

Thomas A. Edison's kinetophone, which will be presented here for a return engagement at the Grand Thursday, Friday and Saturday, January 29, 30, 31, with a special Saturday matinee, is a masterpiece of craftsmanship and the entire civilized world is marveling today at the result of Wizard Edison's genius. The kinetophone, or talking pictures mark a new era in theatricals, furnishes a world of thought for producers and managers and—in short—a revelation that has come to stay. Marking, as it does, the climax of other remarkable discoveries by Edison, it is one that has immediately won popular favor with theatre audiences. Wherever these talking pictures are shown the "sold out" signs are early placed in the lobby.
